

# RIOT CONTROL

*Equipment & Training*

**World Leader in Military and Police  
Equipment and Training**

**E**stablished in 1990, our company specializes in the sales and distribution of defense systems and equipment to militaries and police forces around the world. We represent some of the most respected and well-established companies in the global defense and security industry.

Our staff members have extensive military backgrounds and have held many commands.

Our Company is a **ONE STOP SHOP** focused on meeting our clients' needs by providing a full-package deal:

- **Riot Control:** Supplying full range of products from gear for the riot-control officer to specialty items for entire units.
- **Ground Forces:** Supplying full-package to meet the needs of ground forces, from personal gear for the soldier to equipment and platforms for the platoon and unit.
- **Counter & Anti-Terror/SWAT:** Supplying the most advanced Counter and Anti-Terror gear and training to SWAT teams worldwide.
- **K9 – Dogs:** Supplying trained attack, explosive and charge detection, drug detection, search and rescue dogs as well as training and gear.
- **Homeland Security:** Providing training, consulting and gear to protect maritime ports, airports, train stations, military bases, prisons and compounds.
- **NBC:** Supplying rings of exposure and identification devices for NBC as well as cleaning and treatment protection devices for dealing with dangerous materials.
- **Ballistics:** Manufacturing and supplying ballistic plates, body armour, ballistic helmets, armoured vehicles, special armoring and armoured gear complying with the highest international standards.

## Advanced Global Training

Provides consulting services and specialized security training for teams deployed in high-risk environments.

Advanced risk assessments provide practical solutions to even the most complicated security situations.

Operating within a global sphere, **AGT** establishes new training sites according to client demand, wherever and whenever needed.

Our dedicated in country training models are designed to remain flexible, in accordance with the operational timetables of your organization.

### Our expertise covers all aspects of:

- Personal Protection
- Risk Assessment
- NBC Preparedness
- Contingency Planning
- Corporate Security, High-Risk Security and Specialist Training
- Airport & Sea Port Security

## Specialized Training

Security teams deployed in any high-risk security environment require specialized training dedicated to a variety of unique challenges. We provide site-specific training to meet these existing and evolving challenges.

**AGT's** special training distinguishes itself by emphasizing both tactical and soft skills. Each course's curriculum is specifically designed to meet the exclusive needs of your security teams.

## Risk Assessment and Contingency Planning

Assessing the risks and threats your organization is facing on a daily basis enhances its efficiency and effectiveness. Whether it is expanding operations under hostile conditions, or conducting internal security evaluations, **AGT** will identify and assess threats and implement proactive training measures in order to negate potential threats. All this can be accomplished without disrupting the continuity of normal work schedules.

**Our Professional** and dedicated management team will work proactively to provide your corporation with a multifaceted array of consulting services. The core staff is comprised of instructors with multi-national military backgrounds who specialize in weapons usage (including sharp-shooting), tactics, special operations and analysis.

# VEHICLES

**Riot Control Vehicle on GM Silverado Chassis RA0401**

**Riot Control Vehicle on MB Chassis RA0501**

**Riot Control Vehicle on MB Chassis RA0402**

**Riot Control Vehicle on MB Chassis RA0502**

**Riot Control Vehicle on MB Chassis RA0403**

# PROTECTIVE GEAR

## Body Protection RA0701

Anti riot torso and shoulders protection.

## Arm Protection RA0702

Full protection from elbow to wrist.

## Hand Protection RA0703

Anti riot hand protection

## Thigh Protection RA0704

Anti riot thigh protection, connects to the body protection and to the leg protection.

## Leg Protection RA0705

Full protection from knee to foot.

# PROTECTIVE GEAR

# HEAD PROTECTION

## Ballistic Helmet & Anti Riot Visor RA1001

Ballistic helmet conforming to level IIIA with anti riot visor. Provides protection for the head and face. One size fits all.

## Ballistic Helmet & Visor RA1002

Ballistic helmet conforming to level IIIA with ballistic visor. Provides ballistic protection for the head and face. One size fits all.

## Universal Visor RA1004

Universal fit face shield system that adapts to many helmets to provide face protection in riot conditions.

## Ballistic Helmet RA1003

V50 1300-2200 fps.

## Universal Visor with Wire Screen RA1005

## Shooting Glasses RA1006

Lightweight, frameless eye protection system that offers a unique combination of high-impact resistance and unrestricted field of view.

## Tactical Goggles RA1007

High-performance goggle system for highly-active police activities. The goggles feature exceptional fog resistance, particle filtration and comfort.

## Riot Helmet RA1101

High impact helmet used to protect the police service personnel forehead and face. The helmet has novel design, adopting ABS/PC material. With features of anti-impact, bearable anti-penetrate ability, strong vibration-proof, good leak-resistance, painting imports the high transparent material treating to surface, anti-ultraviolet ray, and hard to fade, good penetration-light rate, good wear ability and fog-resistance ability. One size fits all.

## NBC Panoramic Mask RA1102

## NBC Mask RA1103

# SHIELDS

## Rounded Riot Shield RA1201

## Riot Shield RA1203

Hand held body shield with ergonomic features made of clear polycarbonate for clear view & rubber padded handles. 500x900x3-4mm.

## Electric Riot Shield RA1202

Hand held body shield with clear polycarbonate for clear view & rubber padded handles, provides voltage of 50,000 Volts.

## Capture Shield RA1204

Hand held body shield with ergonomic features made of clear polycarbonate for clear view & rubber padded handles. Designed for cell extraction and capture applications in close range.

## Long Riot Shield RA1205

Hand held body shield with ergonomic features made of clear polycarbonate for clear view & rubber padded handles. Designed with extra length to allow full body protection.

## Bubble Shield RA1301

Hand held body shield with ergonomic features with bubble design. Made of clear polycarbonate for clear view and rubber padded handles.

## Flat Angular Shield RA1303

Hand held body shield with angular edges. Made of clear polycarbonate for clear view & rubber padded handles.

## Connectable Riot Shield RA1302

A hand held body shield with clear polycarbonate for clear view & rubber padded handles with features and option to connect the shield together to create a unified protective wall.

# BATONS

## Baton RA1401

Police and riot officers' baton.  
Available in 40cm, 60cm,  
90cm and 120cm length.

## Telescopic Tonfa RA1403

Police and riot officers' non  
metallic expandable tonfa.  
Closed length 35cm,  
Open length 60cm.

## Telescopic Baton RA1405

Police and riot officers' non-metallic/metallic  
expandable baton.  
Available in 3 sizes.

## Tonfa RA1402

Police and riot officers' tonfa.  
Available in 50cm and 60cm length.

## Cuffing Baton RA1404

Combines the power and strength  
of a baton with the restraint and  
control of a handcuff, in an ergonomic  
design that allows even the smallest  
police officer to control the largest  
suspect safely and easily.

## Stun Baton RA1406

Powerful defensive weapon  
for stunning and hitting. When  
used as a stun baton, it delivers  
a debilitating 300,000 volts  
shock to the attackers.

## Flashlight Baton RA1501

## Wooden Baton RA1502

# RESTRICTION

## Hinged Handcuffs

RA1601

Stainless high-grade steel.  
Provides additional restraint by more effectively restricting hand and arm movement.

## Chain Link Handcuffs

RA1602

Increased execution for extremely strong wrists.  
Made of stainless high-grade steel.

## Combined Cuffs

RA1603

Chain link handcuff combined with legcuffs.  
Effectively restricting hand and leg movement.

Cuffs' Key

## Legcuffs

RA1604

## Finger Cuffs

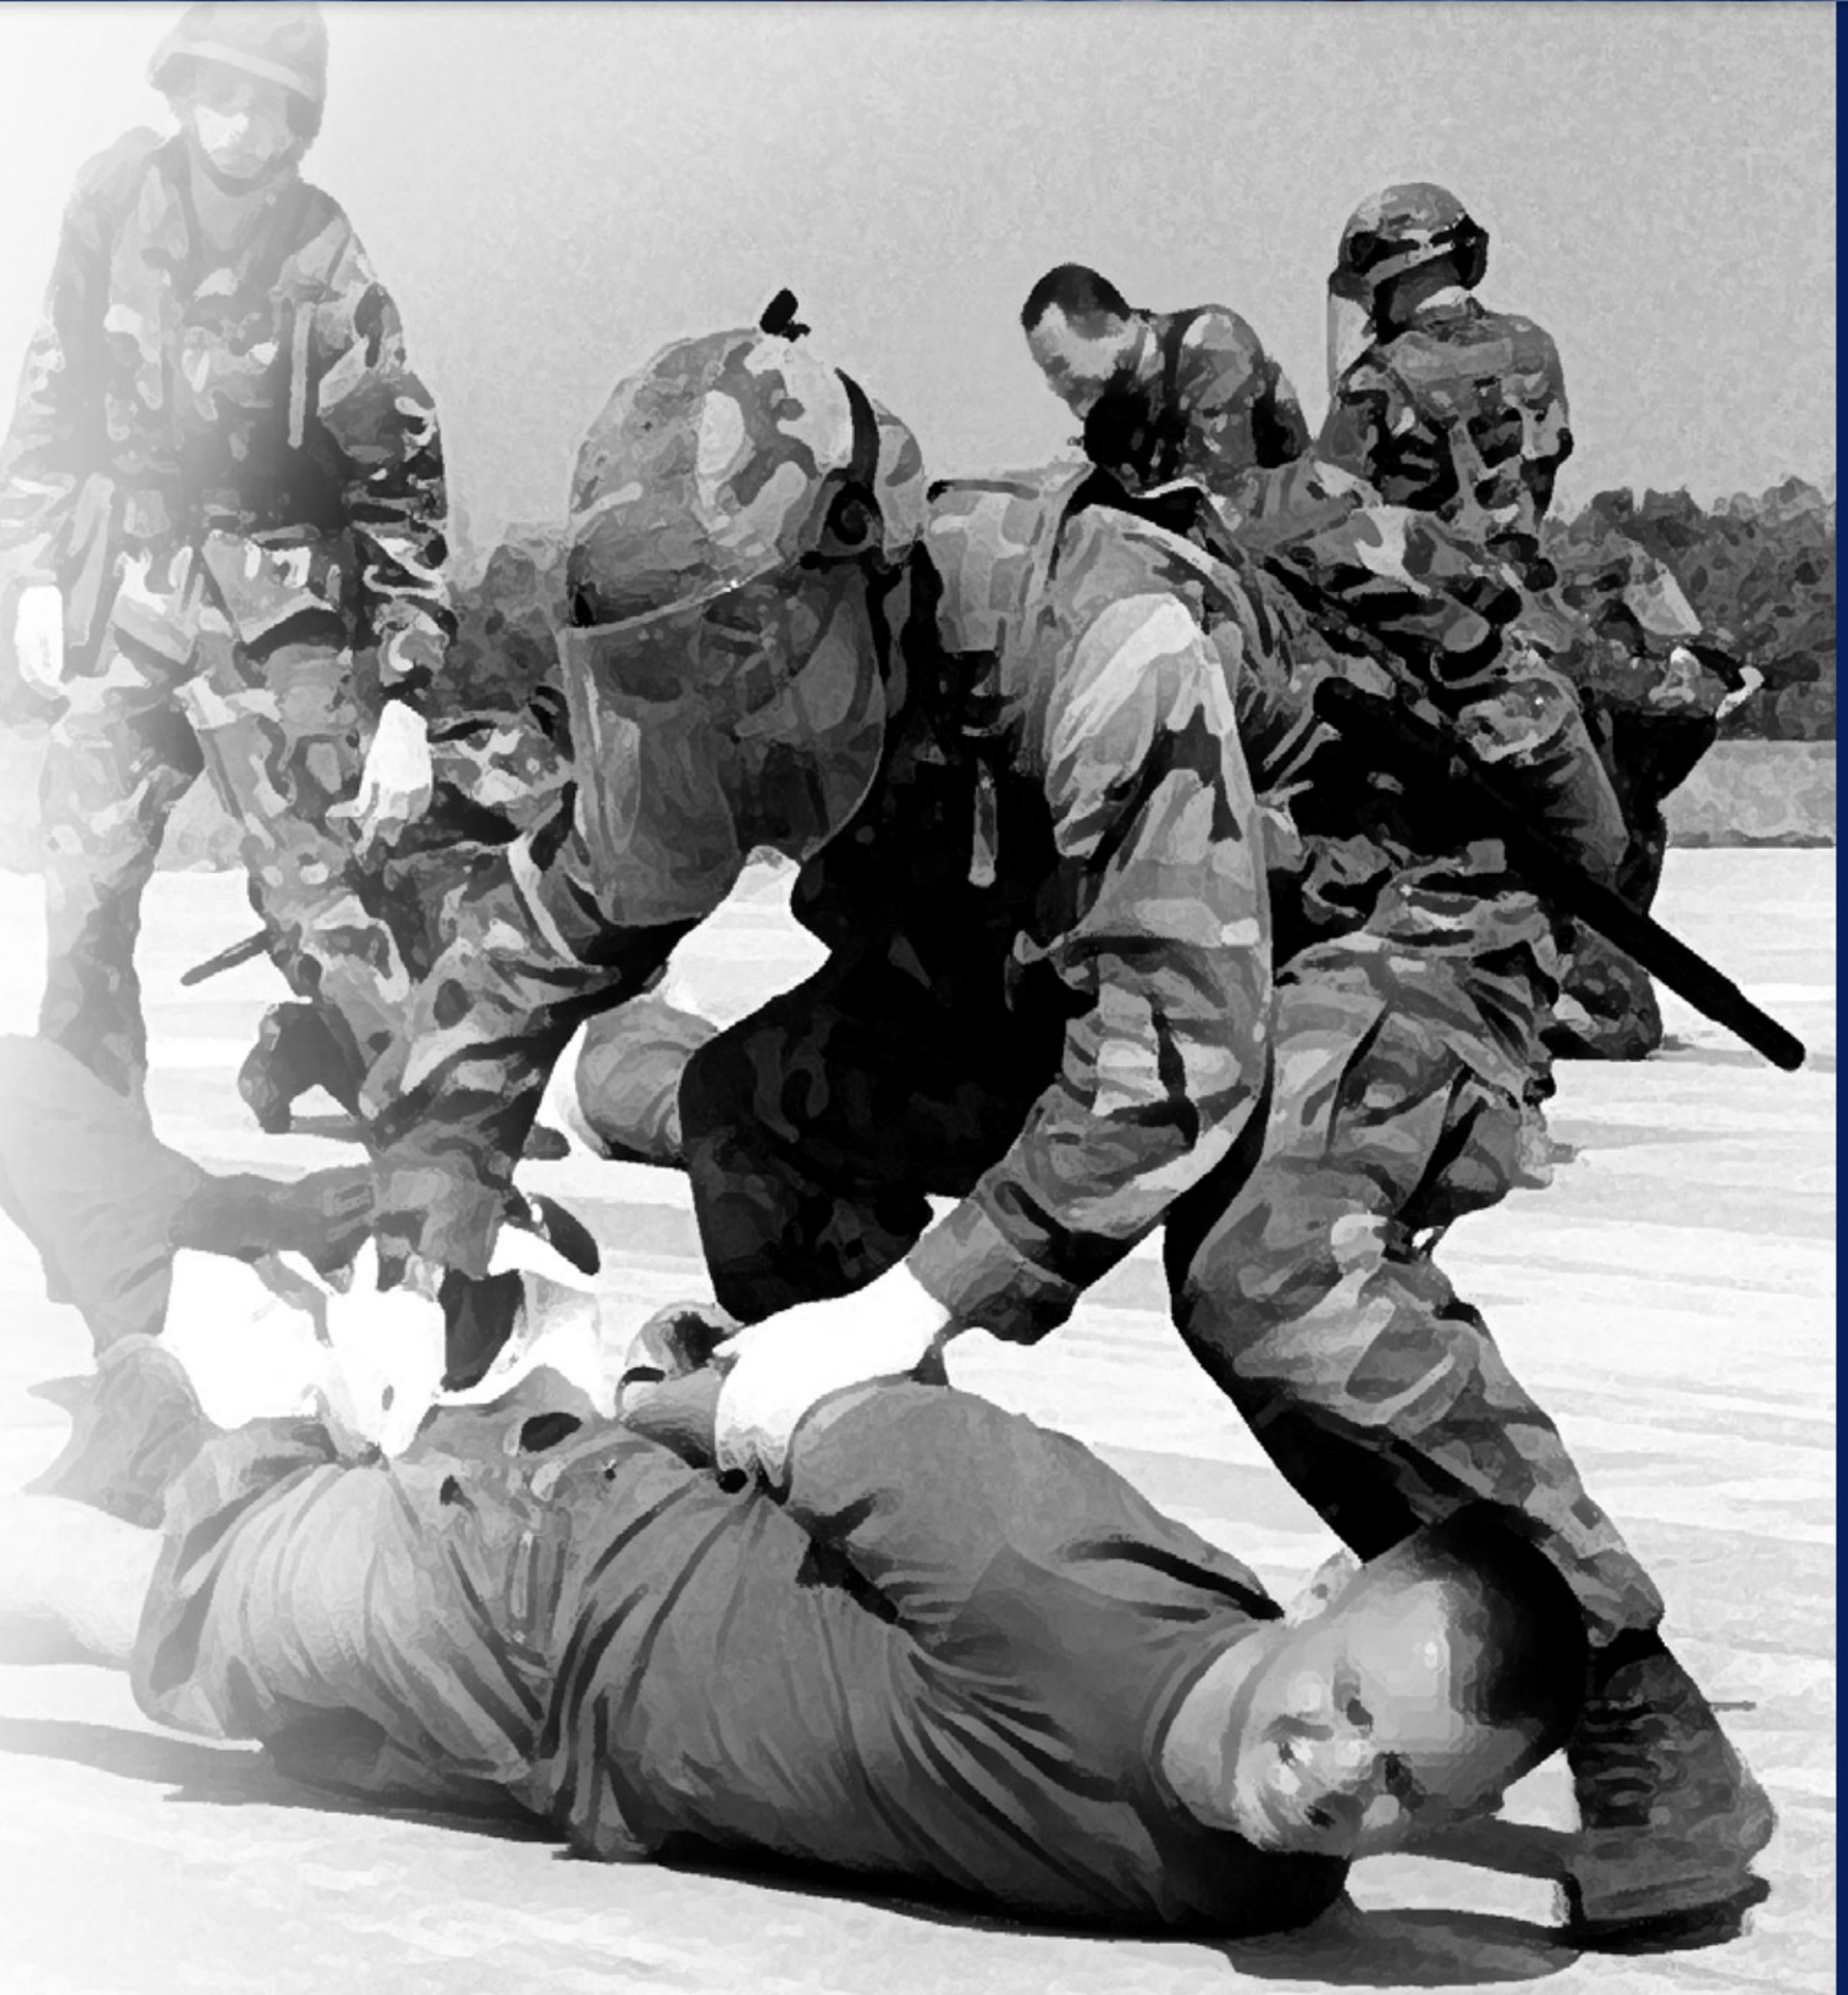

RA1606

## Plastic Restraint Kit

RA1605

Plastic Restraint Kit that includes, two loop disposable restraints, durable web case, personal cutter & pen.

# WEAPONS

## Shotgun 12ga

**RA1801**

Law enforcement pump action shotgun.  
Specially designed for police uses.  
Caliber: 12ga. Folding stock.

## 37/38mm Launcher

**RA1802**

## Tactical Launcher 37/38mm

**RA1803**

Designed and built for law enforcement.  
2 grips for more control and better handling of the weapon.  
Chambered for 37/38mm shells.

## Multi Launcher

**RA1804**

Type of action:  
• Double action trigger  
• Safety: Trigger lock  
• Caliber: 37/38mm OR 40mm  
• Capacity: 6 shots OR 8 shots  
• Ammunition: 37mm OR 40mm

ONE STOP SHOP

**KOOR**

INTERCOMERCIAL, S.A.

# WEAPONS

## High Pressure Spraying Device RA2201

The refillable High Pressure Spraying Device is specially designed for police forces and security authorities. It serves the riot control special units maintaining and establishing law and order.

## Tear Gas Ejector RA2202

The tear gas ejector weapon contains a special CS/CN/OC fog-formulation. Evaporated solution contains floating in air powerful CS/CN/OC particles. Will affect a large group of aggressors, within few seconds, from up to 60 meters in still air.

## Catching Net Device RA2203

Propelled by compressed air and able to catch a target from 3 to 8 meters in one second. The Catching Net is made of high strength Nylon Fiber and can be fully opened for 16 square meters.

## Multi Launcher System RA2301

Multiple Launching System for law enforcement vehicle mounting, providing either short bursts of targeted three rounds up to a high saturation fire burst of 24 rounds simultaneously. At a range of 400 meters, the Multi Launcher System covers a target width of over 100 meters.

## Multi Launcher System RA2302

Vehicle Multi Launcher System.

## 38mm 9-Tube Anti-Riot Grenade Launcher RA2303

This launcher layout is reasonable, the structure is compact with elegant appearance.

It profits from the revolver the unique feature, uses the disposable integral-type magazine, reduced the volume. Uses the dual coupler lock organization, pushes the handle forward only by hands then to realize the coupler lock, had guaranteed the fire security.

## Gas Projectile CS/OC 37-38/40mm RA2401

Contains 1-3 separate sub-munitions that release a CS smoke agent. The multiple sub-munitions provide a wide area of coverage for quick dispersal and control of crowds.

## Rubber Balls RA2403

## 12ga Impact Munitions RA2402

12ga: Impact Munitions, Ballistic Bag, Distraction Round, Flash & Bang.

## Rubber Batons RA2404

## Single Cartridge RA2405

## 40mm Sponge Grenade RA2406

The non-lethal 40mm crowd dispersal round is intended to be a direct fire, low hazard, non-shrapnel-producing device which will produce non-lethal effect upon impact.

## Single-Use Gas Launcher RA2501

Single use, manual launcher. Launches 24 payloads of CS/CN gas to a distance of 50-70 meters and 25 meters radius.

## Skater Grenade RA2502

Designed to rapidly deliver a cloud of irritant agent with a discharge time of around 15 seconds. The jet action of the smoke emitting through the side ports makes it difficult for subjects to throw the grenade back at the officer.

## Gas Rocket RA2503

A pellets tear gas grenade able to be launched from 5 to 100 meters without a specific launcher (distance can be adjusted on request). Can be launched without any specific equipment.

## Smoke Grenade CS/OC RA2504

The Smoke Grenade delivers a large cloud of irritant agent.

## Stun Grenade RA2505

Flash Bang Distraction Grenade is designed to create a distracting/disorienting effect in civil unrest situations or during tactical entry.

# PERSONAL DEFENSE

## Jet Protection RA2601

Non-lethal self defense tool. It renders pepper sprays obsolete and stops threats at a safe distance. The Jet Protection contains 4 cylinders with powerful concentrations of high grade OC, a devastatingly effective inflammatory agent.

## Gas Handgun RA2603

Modern highly effective self defense device. Two shot capacity, reloadable cartridges, caliber 14X62 mm.

## Jet Gun RA2604

Powerful hand-held OC delivery system. Effective range is up to 6.5 meters. Each magazine contains two charges, and quickly snaps on the frame.

## Stun Gun RA2602

Delivers a high voltage shock to a potential attacker, immobilizing him for several minutes. No danger of permanent damage. Easy and safe to use.

## Defense Gun RA2605

Hand held defensive system for the professional user. It expels a liquid irritant jet on targets up to 4-6 meters with very high accuracy utilizing a pyrotechnic charge.

## OC/CS RA2701

Range: 8-12 Feet Spray.

## OC Gel RA2702

Range: 15-25 Feet. Spray: Gel, Pistol Grip Dispenser, Multiple Safeties.

## OC Stream/Foam Jet RA2703

Range: 8-12 Feet. Spray: Ballistic Stream. Spring loaded flip-top safety cap.

## Training Kit RA2704

Package Includes: Training Manual, Three OC III Units Pepper Gel, Relief Decontamination Spray & Inert Spray.

## Foam Jet RA2705

Inert Foam. Range: 8-12 Feet. Spring loaded flip-top safety cap.

# PERSONAL GEAR

## Elite Gloves RA2801

Elite Tactical Gloves with leather that is flame retardant, oil & water resistant as well as abrasion resistant and breathable.

## Anti Riot Gloves RA2804

Extremely strong and durable leather gloves. For disturbance control.

## Nomex® Gloves RA2806

Constructed with 100% Nomex®. Black & Foliage Green.

## T-Shirt RA2802

100% Cotton

## Underwear RA2803

Low rise, seamless construction provides an abrasion-free fit.

## Thermal Undershirt RA2805

Total versatility, total performance through high exertion in cold conditions. Ultra-lightweight insulating layer engineered for core temperature consistency.

## Wool Socks RA2807

Army Wool Socks.

## 1.5L Reservoir RA2901

## Personal Bag RA2903

Carries a wide variety of gear.

## Water Reservoir RA2902

Stand-alone hydration system.

## Securing Lanyard RA2904

## Multi Pliers RA2905

## Equipping Bag RA2906

Designed to carry infantry gear and includes a separate helmet storage area. Heavy-duty zippers and removable nylon web shoulder strap.

# PERSONAL GEAR

## Coverall / Uniforms RA3001

Fireproof (Nomex®)  
Available in black or green.

## Kevlar® Tactical Hood RA3002

## Nomex® Mask RA3003

## Tactical Boots RA3004

## Law Enforcement Boots RA3005

## Multi Purpose Tactical Vest RA3101

Tactical Vest designed for Anti-Riot Forces and SWAT team personnel, light and designed to carry different types of accessories. One size fits all.

## IIIA Ballistic Vest RA3102

## Anti-Stab Vest RA3104

Flexible stab resistant vest panels provide lightweight stab armour solution.

## Cooling Vest RA3103

Designed to be worn under a normal outer garment. Specifically designed to provide comfort and heat stress protection.

# COMMUNICATION

# DUTY BELT

**2-Way Radio**  
**RA3201**

Professional 2-way radio. 16/99 channels capacity, range up to 6 Km.

**Throat Mic.**  
**RA3203**

**Megaphone**  
**RA3202**

**Headset**

# ILLUMINATION

## Light Sticks RA3401

Chemical light.  
Red, Blue, Yellow, Green and IR.

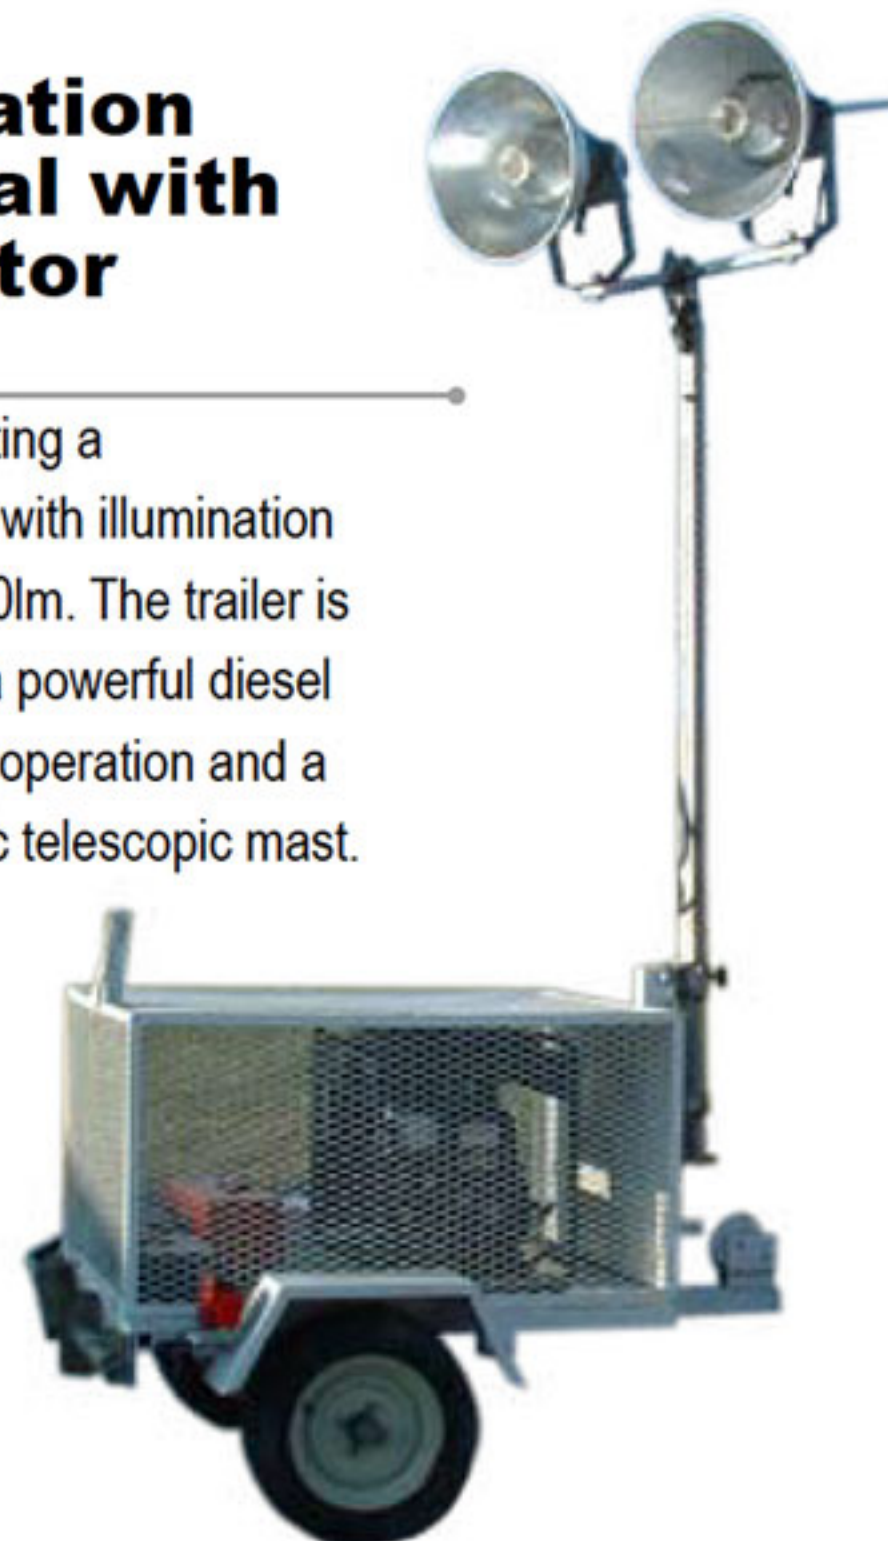

## Illumination Rocket RA3403

Manual illumination rocket.  
1000m radius.

## Illumination Terminal with Generator RA3405

Capable of lighting a 2000-5000sqm with illumination output of 10,000lm. The trailer is equipped with a powerful diesel engine for long operation and a 4.5m pneumatic telescopic mast.

## Tactical HID Searchlight RA3402

40-watt HID portable spotlight without Handle (straight-body).  
Can produce an incredible light output of white light 4,000lm.

## Trolley Illuminator RA3404

Carry-on-case with 16x1watt Luxeon/LED mounted in an aluminum mast.  
All items are stored inside the case and assemble in minutes.  
The aluminum pole extends to a height of 2.11m to provide 1,280lm of light for any area.

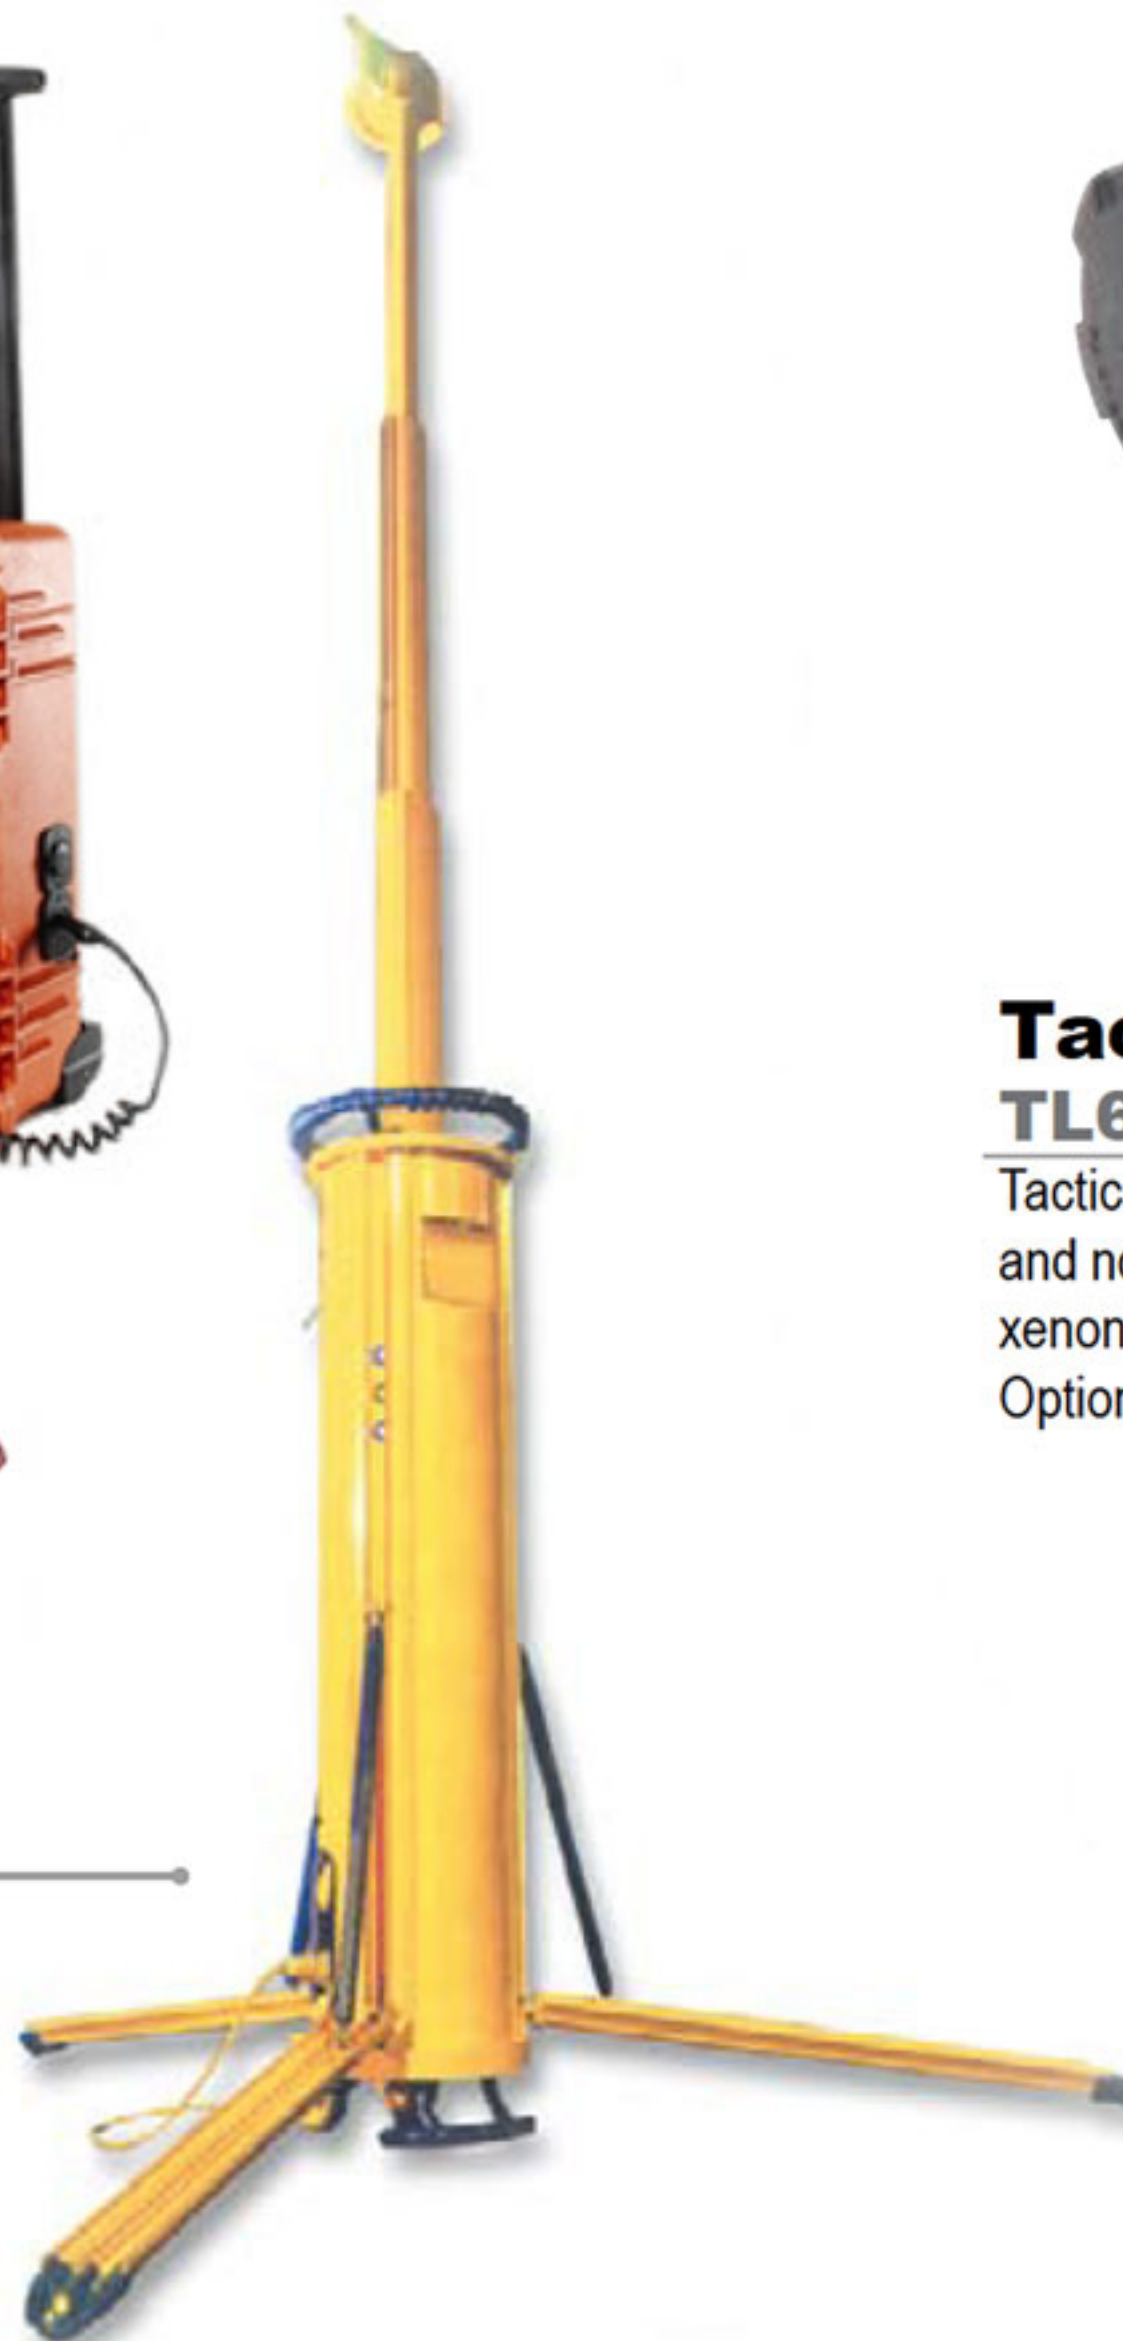

## Lightbar RA3406

## Multi Light RA3407

Metal Halide light output is five times more powerful than equivalent traditional halogen lighting. Producing over 100,000lm of perfect white light.

## Personal IR Marker TL5

Compact and lightweight.  
LED features:  
White, Blue, Red & IR that serves as a personal Identify Friend or Foe beacon.  
The LEDs are perfect for general-purpose, close-work illumination and in a low-signature. It attaches via a special mount that clamps semi-permanently to the rim of the helmet.

## Personal LED Flashlight TL2

One LED - 2 Colours: Red & White  
90x10mm/28.5g  
AA Battery  
1W

## Tactical Flashlight TL6

Tactical flashlight with lightweight non-metallic and non-conductive construction. High efficiency xenon bulb provides up to 15 hours run time.  
Optional: IR Filter.

# HEADQUARTERS

## Anti-Riot Commander Vehicle RA3601

Features:  
Tear gas bombs projector, 360 degrees swivel top projector frame. All directions searching light, lightweight tear gas bombs launcher.

## Fast-Open Tent RA3602

For immediate deployment in any emergency. Waterproof and easy to assemble and disassemble.

## Road Flares RA3603

## Strobe Light RA3604

Heavy duty LED flashing device for temporary marking of road hazards. Available in a variety of colors.

## Multi-Purpose Large Tent RA3605

## Aerial Surveillance System RA3701

The system is an advanced aerial surveillance system, based on lightweight stabilized imaging payloads, mounted on a small and easy to operate tethered helium Aerostats. The system is operational with the military, police and counter terror forces around the world as well as with broadcasting commercial companies.

## Sledge RA3702

Forged steel head sledgehammer.

## Bar RA3703

## Cutter RA3704

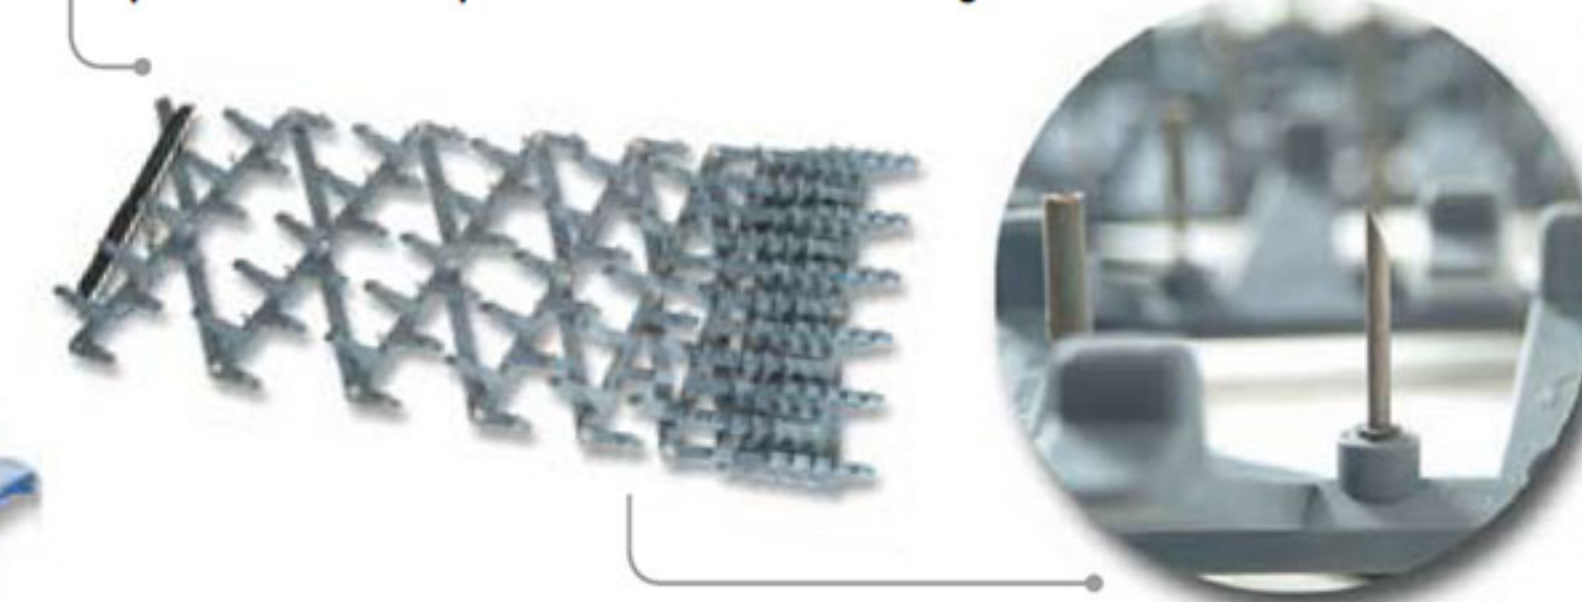

## Crowd Control Barrier RA3705

## Spike Road Block RA3706

Fast open Road Block, with advanced tire inflation spikes. Can be opened to 7.6 meters long.

# MEDICAL & RESCUE

## Paramedic Field Bag RA3801

Professional bag, which fulfills the needs of even the most advanced paramedics. Adjustable for all medical field needs.

## Medic First Aid Kit RA3802

Includes different kinds of medicine, bandages and various aids such as scissors and syringes.

## Emergency Blanket RA3803

Treating and preventing the onset of Hypothermia.

## Personal Trauma Bandage RA3804

Packed in vacuum. Can absorb 550cc of liquid.

## Arterial Tourniquet RA3805

200x7cm in size. Used for blocking veins. Made of flexible silicon.

## Stretcher RA3806

## Compact Folding Stretcher RA3807

8 fold stretcher, light, most compact and flexible stretcher. Easily stored in facilities, vehicles and helicopters. Easy to use - folding and extending it in approximately 7-10 seconds.

## 1000W Strong Acoustic Broadcasting Equipment RA3901

High-power strong acoustic broadcasting equipment is specially designed and developed for emergency disposal, propagation, break down the psychological defense of enemies, rioters and terrorists to the maximum degree, it has the characteristics of flexible and maneuverable and high power. It subtly makes use of the principles of aerodynamics for the transmission of sound, the acoustic energy is more concentrative than that of the common electric acoustic broadcasting system, making the propagation distance is much longer. Can be installed on vehicles, helicopters or ships.

### Technical indexes:

Effective vocal power	1000W	
Frequency response range	250 Hz ~ 4000Hz	
Power	12V 200AH storage battery	
Maximum sound pressure level on sound axis	Distance	Maximum sound pressure level on sound axis
	1m	142dB
	10m	122dB
	100m	100dB
Horn	Stainless steel, thickness is 6mm, common bullet resisted	
Weight	20Kg (excluding storage battery)	

Installation on light wheeled armored vehicle's 2000W system
